SUMMARY

I am a skilled and versatile full-stack web developer with hands-on experience in both frontend and backend development. I am also working as a web development instructor at Minds Tech, there I developed my ability to explain complex technical concepts in a clear and approachable way, helping students gain confidence in their skills. Additionally, I have one month of experience as a Customer Sales Representative at Evergreen Corporation, where I refined my communication skills and learned to manage client interactions effectively. I am passionate about leveraging my technical and interpersonal abilities to deliver high-quality web solutions and provide exceptional client experiences.
